SPORTS

Fired by the optimism of Coaches Samuelson, Wintermote, and Parker, the athletes of EHS made their usual good showing in sports this year. Of the eight football games played by the EHS gird-irons, five were won and one was tied. Four of the team made the Southwest District "All Conference Squad." The boys and their positions were: Clyde Gerrard, Center; Garry McLean, End; Mike Anderson, Guard; and Jim Bowns, Tailback.

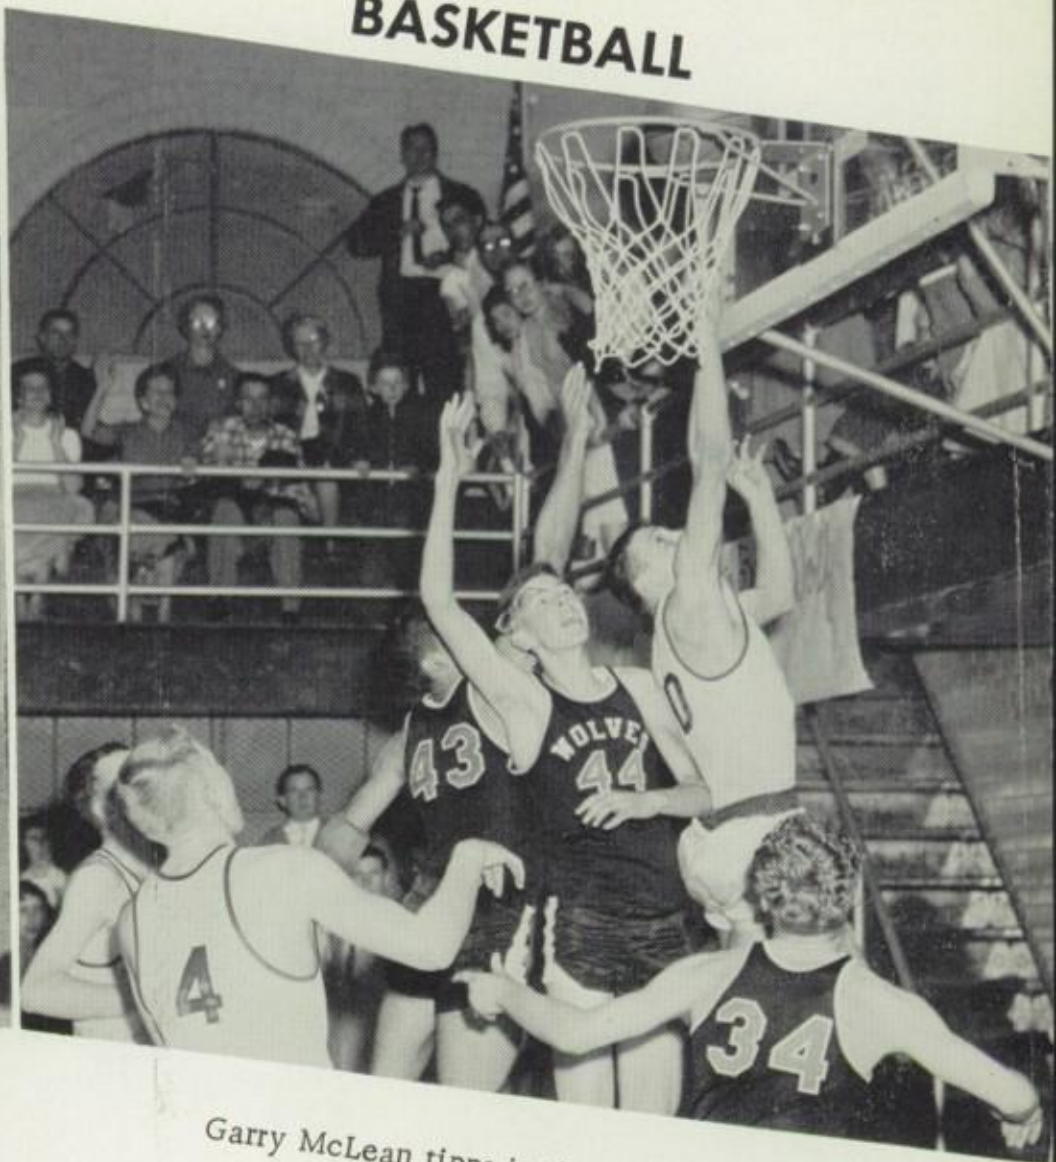

Red Devil Wrestling coached by Stan Wintermote, showed signs of becoming a very popular sport at EHS this year. The matmen had one All District Wrestler, Junior Walton, who won the 138 lb. division at the District tourney in Worland. Lanny Griggs placed third in the 133 lb. division. The same two grapplers received fourth place at State Wrestling Tournament.

TRACK

Paul Warner wins the 440 at Rock Springs.

BASKETBALL

Garry McLean tips in the winning basket.

FEATURE

Basketball season brought many an excited cheer from the Devils' fans. Garry McLean was elected to All Tourney team at District tourney in Green River. Morris "Tuff" Samuelson coached a spirited, hardfighting team to a third place victory at State Tournament in Laramie. A motorcade of Devil fans and well-wishers met the team bringing to an end an eventful year.

The performance given by the track team this year was very pleasing to the coach and fans. Although the experience on the team was very thin, twenty-three boys went to District Track meet in Green River, where Evanston received second place. Seven boys qualified to go to the State Track meet in Torrington.

LATIN CLUB

Latin Club members early in the fall published a yearbook with a cover displaying Venus di Milo and announcing meetings which would feature skits on mythology, Latin games and songs, and a travelogue by Connie Gerrard concerning her European tour. The outstanding social events of the year were the Latin dance, "Jupiter's Last Stand," and the annual banquet at which the toga-garbed guests dined without the assistance of silverware and clapped for slaves bearing fingerbowls. Funds raised at the dance, from the sale of red and blue ballpoint pens, and from a cooked food sale helped to send five delegates, Sharon Coles, John Carlton, Val Lindsay, Faith Henderson, and Myrna Kunz, to the National Junior Classical League Convention in Northfield, Minnesota, August 9-13.

The Girl's Athletic Association was reorganized this year to include both Senior High and Junior High with one set of officers. They meet on Monday and Friday nights each week. Activities include Volleyball, Basketball, Tumbling, Kickball, and Fieldball.

An accurate record of individual points is kept allowing each girl a chance to earn various awards.

The Spanish Club, which strives to afford its members the opportunity of improving their speaking ability of the language and also of gaining knowledge concerning the culture of Spanish-speaking peoples, highlighted its year's activities by holding its annual banquet in the El Charro Cafe in Salt Lake City, following which the group attended the Ballet Russe de Monte Carlo in Kingsbury Hall. Regular meetings consisted of business sessions conducted in Spanish, the learning of Spanish dance steps, skits, talks, games, and singing. During the Spanish Fiesta held in the gym four piñatas in the forms of a cannon, a rabbit, a modernistic man, and a satellite were broken, and all the guests enjoyed a wild scramble for the candy which they contained.

Junior Walton and Lanny Griggs placed fourth at State Wrestling meet.

TRACK

One of the most colorful track teams ever to be

assembled at EHS was headed this year by Coach Samuelson. The squad placed fourth at the Invitational meet in Rock Springs and Second at the District meet in Green River. Placing from Evanston were: Bill Waters, second in the mile, Jim Bowns

tied for second in the pole vault. Paul Warner received first place in the 440, and Paul Megeath second in the 880. These boys qualified for the State meet, however due to an injured hip, John Carlton was unable to go. Those who brought home honors for Evanston were: Warner second in the 440, Waters third in the mile, Megeath fourth in the 880 and Griggs a tie for fourth and fifth in the pole vault. The first three boys broke all records set by EHS in their respective catagories.

The Evanston Red Devils had the most successful season in eleven years as they surprised sports critics and spectators alike by ending up in third place at State Basketball Tournament. After a regular season's record of fourteen wins and eight losses, the Devils beat Green River and Rawlins and lost to Rock Springs and Star Valley at District Tourney to end up in the Consolation bracket. But the hard-fighting team gained power at Laramie where they trounced Saint Marys of Cheyenne, whipped Lusk, and overtook Thermopolis, to gain the third place coveted spot. Their only defeat was at the hands of the Sheridan Broncs, the team winning State Championship.

Upon returning to Evanston, the victorious and elated Devils received a royal welcome and a motorcade of from 200 to 300 cars met them, this was the town's tribute for a job well done!

The gigantic motorcade of cars gets ready to escort the Devils from State Tournament, into town.

THE PRIZE!

Manager
Jack Krieder

Manager Jack Krieder was always on hand when equipment of any kind was needed by the team, or when injuries occurred. He was a valuable handyman for the Devils and he put in long, hard hours just as the team did in earning his letter as manager.

Evanston High School Basketball Coach, "Tuff" Samuelson this season guided his Devils to the State Tourney where they rewarded him with the Third place trophy. He worked tirelessly with the team to help them perfect their plays. With EHS as his Alma Mater, he was a member of the Quintet that put EHS in Second place at State Tourney in 1947 and in third place in 1946 and 1948.

Coach
"Tuff" Samuelson

TERRY MCLEAN

Co-Captain McLean, a first string player, was selected to be on the District All Star team and was second high scorer for the Devils with a total of 282 points in season and Tournament play. He was an excellent ball-handler and served the team well.

PAUL WARNER

Senior guard and fine playmaker, Paul was a good floorman and bucketed in 187 points at the end of the season and tournaments. He was a permanent member of the first five starting lineup and proved to be a valuable asset to the team.

JOHN CARLTON

Carlton, 6'2" Junior center for the Devils is a two year letterman and has a total amount of 181 points to his credit. He was a top rebounder and an all around team sparkplug.

MIKE CALVERT

Third highpoint scorer for Evanston with 224 points, Senior Mike also was a good rebounder and usually ended his offensive plays with a bucket. He is an excellent ball player and showed a hard-fighting spirit.

GARY MCLEAN

First string, all Tourney team member, Sophomore Garry was the Devil High scorer with a total of 371 points. He will retain his permanent position on next year's squad and will be a leading contender next season.

BYRON SHAW

Co-Captain of the hard-fighting team, Byron was valuable as an alternate giving front line men much needed rest. He often came through in the clinches at time of need.

JIM BOWNS

Two year letterman and Senior forward whom Coach Samuelson called on from time to time. He tallied 77 points to the Devil's scoreboard. He replaced Mike Calvert while Calvert was out of play due to a sprained ankle.

PAUL MEGEATH

Junior guard who will be counted upon next season, Paul played during the year as a substitute. He developed into a good shot and an excellent floorman.

MIKE ANDERSON

Center Mike often came through when starters had been forced to the sidelines. He promises to be a leading contender for a starting berth on next year's team.

BOB HOLMES

Another Sophomore member, Bob will be needed at guard position for scoring punch next season. This was his first year of varsity ball and he will fill one of the places left by the graduating Seniors.

TYPING

The skill of typing accurately at an average speed may be acquired in the Commercial Department of E. H. S. Two years of typing are offered -- the first is designed to give the student a basic knowledge and the second for job training to give additional practice.

ENGLISH

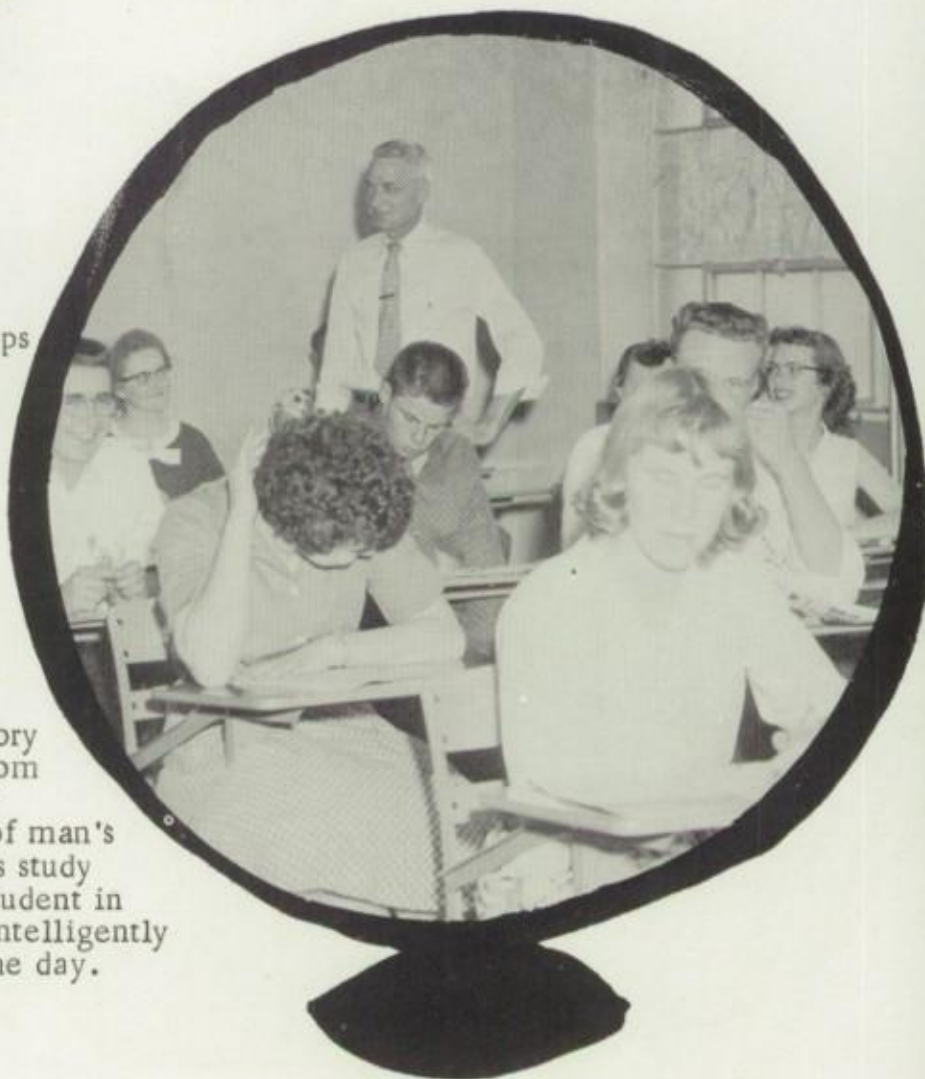

English is a required subject English to improve our us to speak more intelligently.

Literature is studied in the English class where we learn the importance and greatness of American and English literary geniuses.

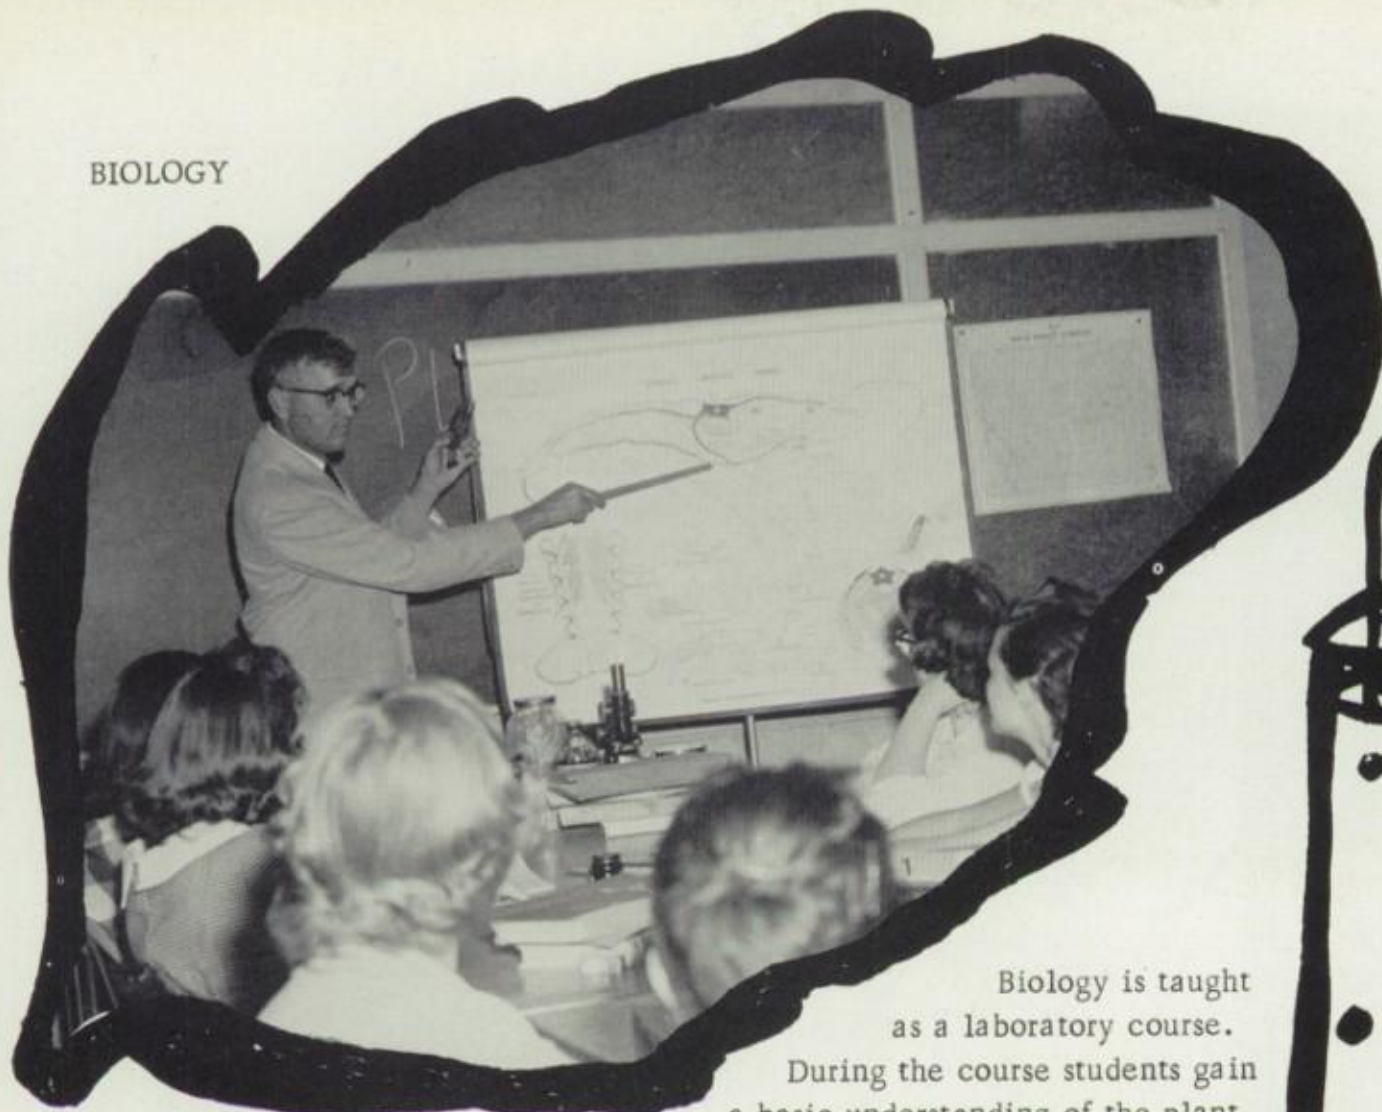

at E. H. S. We study use of words and to enable

SOCIAL STUDIES

Social Studies is perhaps the most interesting of all subjects taught. Through it we are kept up to date on current events. Each student is enrolled in a class of American History and Government before his Senior year. World History surveys events from the beginning of time and tells of man's progress. This study helps each student in conversing intelligently on events of the day.

BIOLOGY

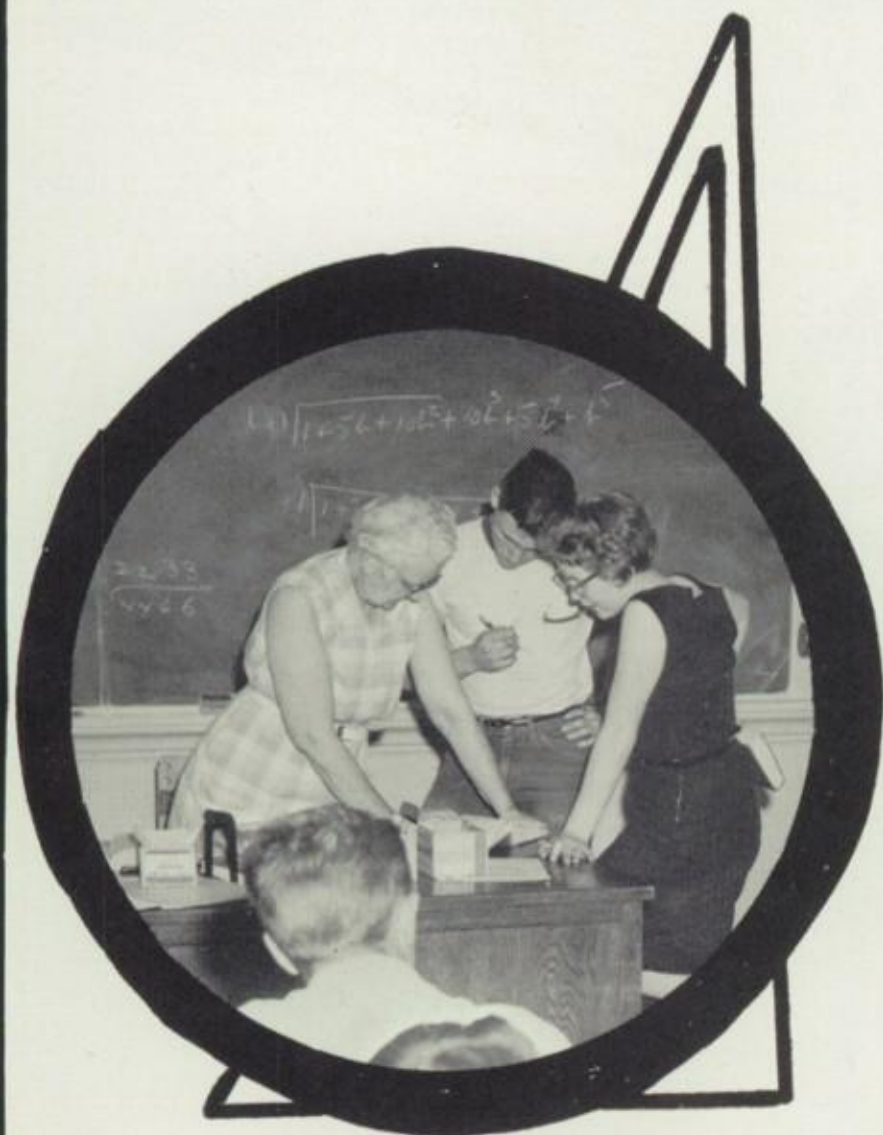

Biology is taught as a laboratory course.

During the course students gain a basic understanding of the plant kingdom, the animal kingdom, and the system used in the classification of living things. It enables the students to develop some appreciation for the variety of living things in our world.

CHEMISTRY

A basic understanding of elements, mixtures, compounds, atoms, and molecules, formulas and equations is acquired, through chemistry. Some of the time is spent in the conduction of experiments and the rest in learning of information presented by the text book.

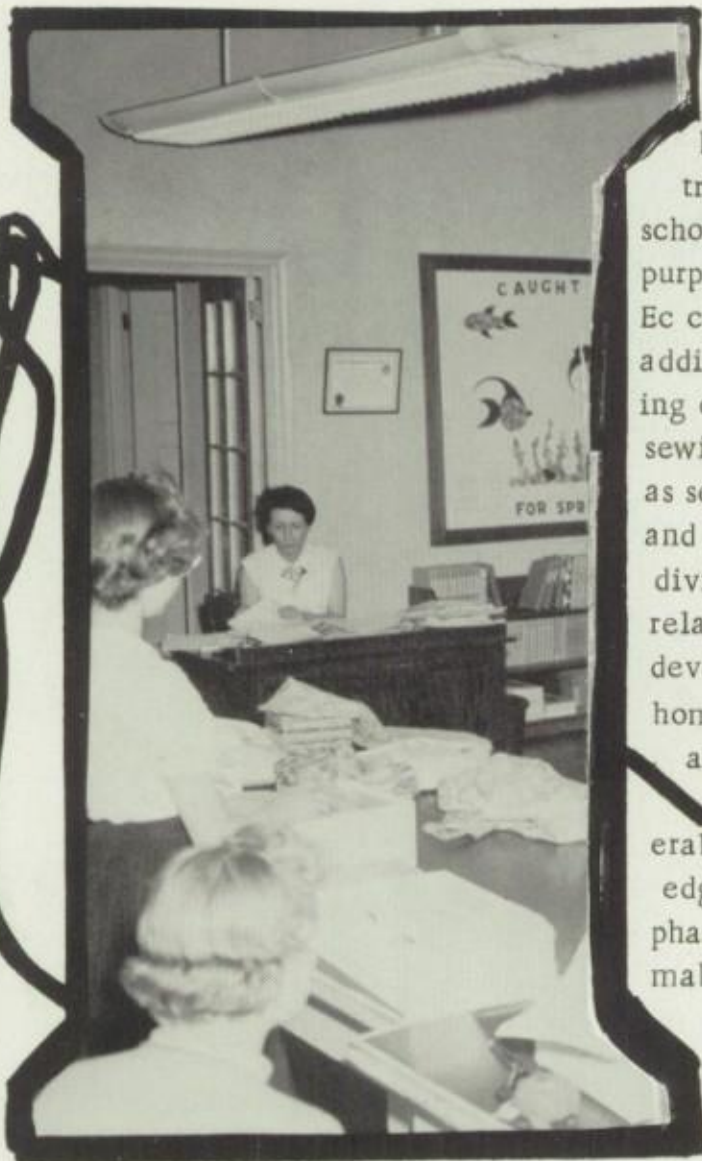

MATHEMATICS

Several courses are offered in Math at E. H. S., including practical math, algebra, plane geometry, solid geometry and trigonometry and advanced algebra.

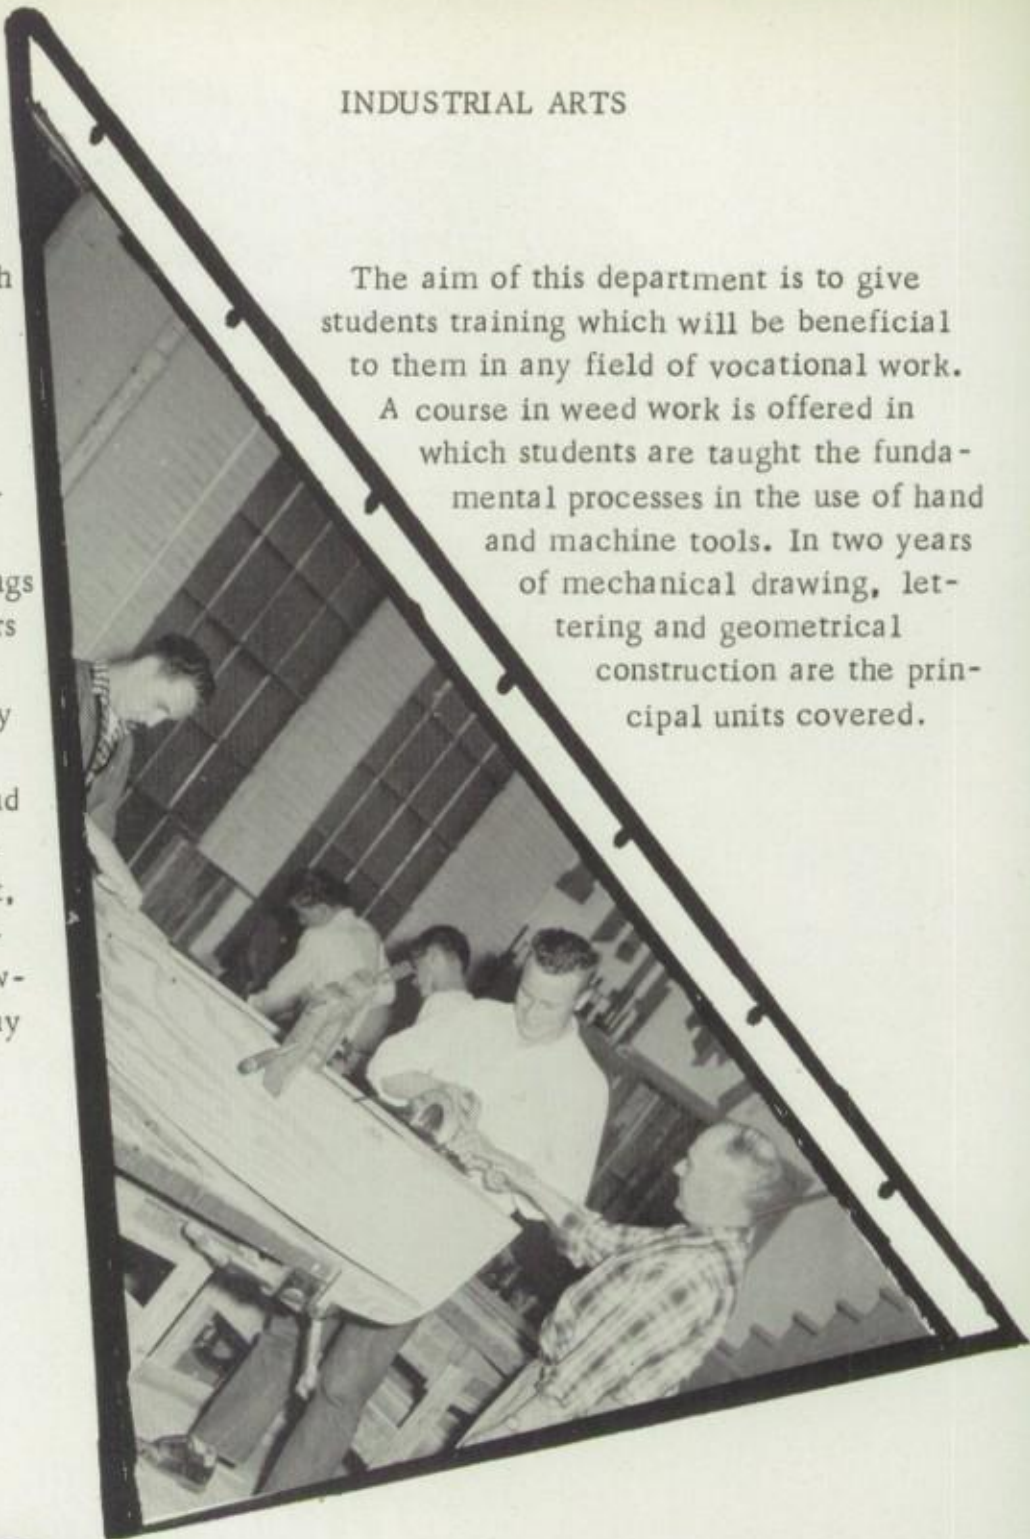

The latter subjects develop more complicated exercises based on the elementary ones.

HOME ECONOMICS

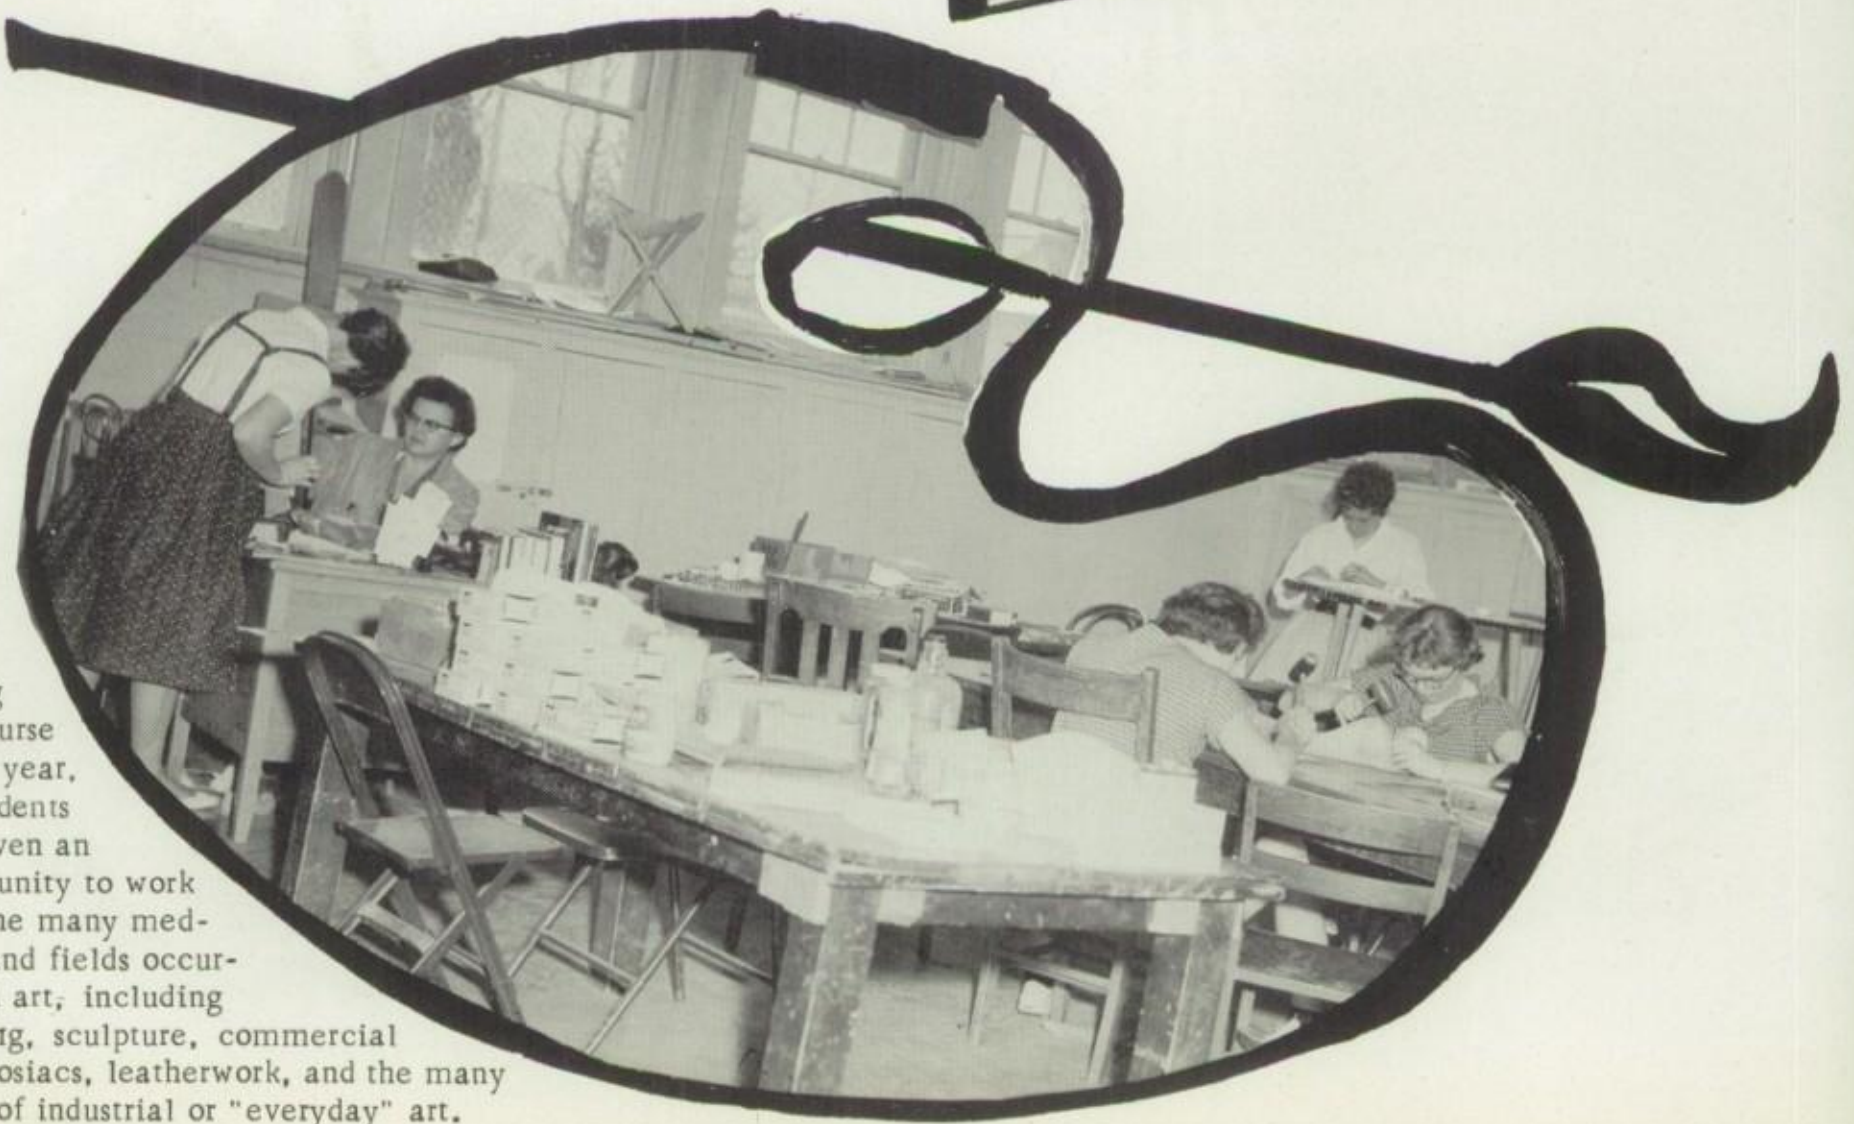

The building of better homes through training in the schools is the purpose of Home Ec classes. In addition to learning cooking and sewing, such things as selecting colors and styles for individuals, family relations, child development, and home decoration are also taught, and in general a basic knowledge of the many phases of home-making.

INDUSTRIAL ARTS

The aim of this department is to give students training which will be beneficial to them in any field of vocational work. A course in wood work is offered in which students are taught the fundamental processes in the use of hand and machine tools. In two years of mechanical drawing, lettering and geometrical construction are the principal units covered.

ART

During the course of the year, art students are given an opportunity to work with the many mediums and fields occurring in art, including painting, sculpture, commercial art, mosaics, leatherwork, and the many forms of industrial or "everyday" art.

CLASS OFFICERS

In September, 1947, 109 eager bright-eyed children entered the first grade. Now, after twelve swiftly departed years, sixty five students are at the "top" of the high school ladder. As Freshmen, in 1956, we chose pink and white as our class colors, the cinnamon carnation as our flower, and our motto, "Onward and Upward." They were used for the theme for our Senior banquet and hop.

We have fond memories of our High School years and will always remember the many happy hours spent here.

FRESHMAN BASKETBALL

FIRST ROW: Richard Spencer, Captain John Stacey, Richard Starke, Roger Cazin, Manager; Bill Aaron, Captain Dick Alexander, Gary Revelli. SECOND ROW: Craig McPhie, Ronald Pinney, Charles McKinnon, Lyle Johnson, Bob McDermott, Coach Jerry Parker.

Perhaps the most important element in building great basketball teams is getting top player material. Coach Parker has accomplished this in his Freshman team this year when they placed third in the Freshman Tourney held here in Evanston. Dick Alexander and John Stacey were the Racer representatives on the All Tourney team. Their regular season record was eight wins, four losses. The losses were to "B" Squads of "A" class schools.

At the Freshmen tourney held in Evanston, South Rich, Utah and Green River played for championship. Here is shown the tip off of the championship game. South Rich defeated Green River for championship, Evanston came in third and North Rich ended up in fourth place.

ROW ONE: Ken Warner, Mel Schulthess, Larry Eyre, Allen Taggart, Jerry Kennedy, Jimmy Thomas, Kent Ashton, Craig Burdett. ROW TWO: Dennis Porter, Manager; Garry Colton, John Mills, Bob Horne, Ken Myers, Leslie Schomas, Tom Richards, Weston Harris, Captain; Curtis Gerrard, Coach Benn.

The success of the 1958-59 season of the Seventh and Eighth grade team can be attributed to a great team effort. Players who never had the opportunity to start a game often came through with some fine play in the crucial moments. This team took fourth place at the Kemmerer Tournament and Second at the Rock Springs Tourney.

Cheering both Freshman and Junior High teams on to their many victories were the smart-looking Junior High cheerleaders. They supported the teams faithfully both at home and out of town games. They should be congratulated on their fine effort.

DEAR DIARY

On September 2nd, we returned from vacation,
Glad to be back and filled with elation.

The sophomores dressed up like athletes and twirlers--
With the girls in boys' clothes and the boys' hair in curlers.

That same afternoon the waterfight had begun.
Everyone was soaked but had lots of fun.

On Friday the 5th our first game of the season--
We played it with Powell, and got beat beyond reason!

On Friday the 12th we played Morgan in a night game.
We beat them so badly we put them to shame.

We played host to Star Valley on September nineteen,
The Devil fans thought it was the best they had seen.

The rest of September was spent in work, activities, and fun,
And we knew for assurity that school had begun.

We journeyed to Rawlins on October one---
And we'd beat the Outlaws at the final gun.

Teachers convention provided a ball,
For a whole two days there was no school at all.

On October 9, 10, and 11, to Laramie we went
To Journalism conference for three days well spent.

The pep rally, snake dance and "E" all ablaze
Set the spirit just right for our Homecoming days.

We had booming success in our Homecoming game,
And the Kemmerer Rangers wished they never came!

Throughout the year, National Assemblies came
To entertain was their main aim.

To the Wolves of Green River the Devils met their fate--
October 17 was that unforgettable date.

F.H.A. convention was held here on the 18th of October.
All district officers were glad when it was over!

We beat Montpelier fare and square
At the football game we played there.

The Rock Springs game we didn't beat--
But we didn't lose so there was no defeat.

The cream of the crop from the music department
To Jackson for Interschool concert were sent.

The F.H.A. dance was held on Halloween--
They chose attendants, King, and Queen.

There was no school on November eleven;
For the Veterans of Foreign War, thank heaven.

"The Miser," the first all school play
On November 14 highlighted the day.

No school again for Thanksgiving vacation.
Time out once more for recreation.

Mountain View was our first Basketball victim
The Devils played hard and really licked 'em.

Coalville, Montpelier, and South Rich games passed by like a breeze,
As the Devils trounced each in their turn, with ease.

The Christmas concert was given by the chorus and band--
Everyone thought that the music was grand.

The grapplers started their season meets
By wrestling Rock Springs for a hard defeat.

The Devils were beat on the 19th and 20th by Thermopolis and Lovell;
But the two opposing teams did it with some trouble

Also on the 19th the students, a vacation were rated.
Two whole weeks of fun--It was Christmas dated.

We danced till twelve on the twenty-third at the Pepster Ball,
The gym was decorated to look like a Christmas Hall.

We played Rawlins and Lyman during Christmas Holiday--
We lost and won but the Devils proved they knew how to play.

To break the monotony a "Variety Show,"
Was given here, then to Salt Lake's T.V. did go.

We lost to Green River but beat Star Valley.
The second night the Devils did talley.

On January 16 the semester came to a close,
And as we took our tests we were full of woes.

More basketball and wrestling came and went
Some victories and defeats to cheer and relent.

On January 23, the cowbell we did retain
As once again we won our Kemmerer game.

By a single point we won our Rawlins game;
We wished the wrestlers, meeting Rock Springs could have done the same.

To Star Valley we lost a hard fought battle,
But beat the Jackson Broncs out of their saddle.

On Valentine's Day to bring good cheer
They gave us a Valentine dance this year.

On February 18 we regret to tell
We lost to Kemmerer, our beloved cowbell.

The Green River game astonished us all
As in the last second we tipped in the ball.
(To win the game)

February 26 the Thespian play
"Rip Van Winkle" was put on for the day.

Although we tried to beat Rock Springs here
They had the better team we fear.

We beat Riverton in a wrestling meet;
The EHS matmen really looked neat.

On March 4, 5, 6, & 7 we to Green River did journey,
In spite of high hopes we took 4th in the tourney.

Pinedale interschool proved a success
As the students from Evanston did their best.

The Evanston Devils came out on top
As we conquered State Tourney's third place spot.

We were the hosts of District Speech Meet;
A dance in the evening made the weekend complete.

The Junior Prom was a gala affair
"Deep Purple" was everywhere.

"Cherry Pink and Apple Blossom White"
Was the theme of our Hop and Banquet that night.

May 1st and 2nd came off with a bang,
As the bands played and the choruses sang.

By now track season was in full swing--
Victories right and left home we did bring

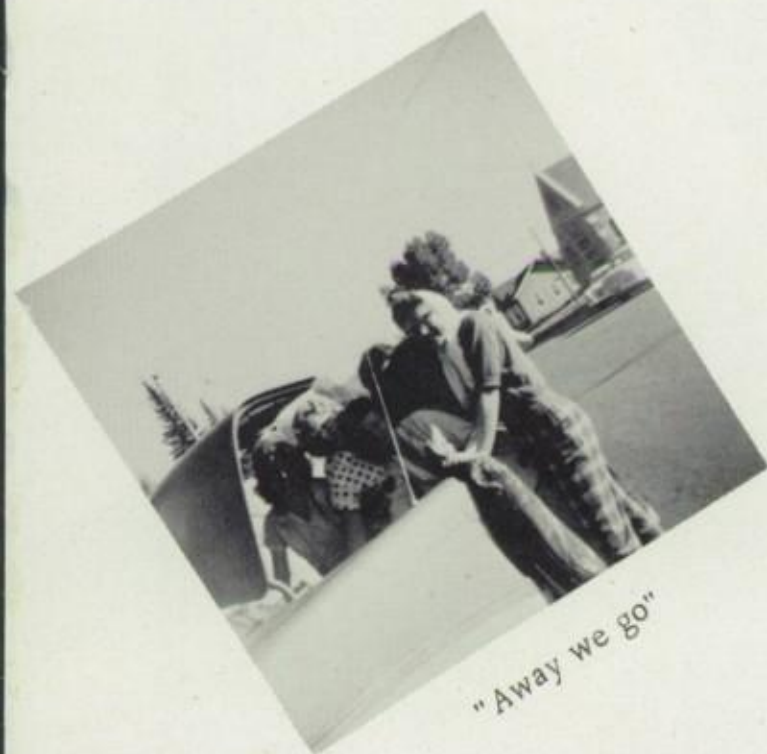

May 19 was Senior Class Night
To all who attended it was a delight.

On May 21 the Freshmen were promoted;
As High School Students they were now denoted.

Commencement climaxed our High School days--
The Seniors left in floods of praise.

The time has come for us to part,
And so we'll say goodbye- -
We'll cherish all the memories
We've had at Evanston High.
